- No AA site inspections completed in November 2023.
- Most recent inspection complete on 31 October 2023.
- Anticipated scheduled in December, for AA observation/inspection:
 - OOHV overhead cable installations, and likely daytime LRV movements.

Monitoring and Alerts

- No significant observations from monitoring or complaints register

Non-compliance and incident details

- Nil for this period.

Ongoing and upcoming environmental risks (noise and vibration)

- Delivery and assembly of LRVs.
- Overhead Wiring works in North Parramatta.
- Tree lopping along Carlingford Line for overhead wiring works.
- LRV operational testing to commence
- Review of alarms in accordance with CoA E57.

Recommendations / Advice (incl auditing)

- Nil for this period.

Outstanding Queries / Other Items

- Documents expected in November but not yet provided:
 - GRCLR – CNVIS updates 2023
 - acknowledged that team are internally discussing relevance, and utilising historic calculations of LRV movements and Overhead Wiring installation to update documentation.
 - ONVR Property Treatments progress:
 - Acknowledgement of ■■■ Adderton Rd added as a receiver (18/7/2023), and that review identifies no treatment required. Documentation pending.
 - School – awaiting T&C to undertake noise monitoring for compliance.
 - ■■■ and ■■■ Adderton Rd – TfNSW tried to contact, but no success,
 - now progressing to commencement of ‘summary of consultation report’ covering properties identified in App E of the ONVR.
 - Commercial properties window treatments being measured and confirmed.
-
